## STAY UP TO DATE

### WEBSITE

WHY NOT REGISTER FOR EMAIL UPDATES? Please go to [www.meadmedical.com.au](http://www.meadmedical.com.au) and subscribe today.

As well as keeping up to date, we plan on posting more useful health information for our patients over the next 12 months.

### SKIN CLINIC

The skin clinic has expanded. We have a new dedicated skin cancer room, with excellent lighting and equipment.

Why not make an appointment today as slots fill fast!

### CHRONIC DISEASE

Do you have a chronic disease? If so, you may be eligible to access allied health services under Medicare.

Each year, you can gain access to 5 allied health sessions. You can select from dietician, physiotherapist, exercise physiologist, podiatrist, speech therapist, chiropractor or occupational therapist.

Why not ask your doctor today about a chronic disease care plan.

**THANKS TO ALL OF YOU FOR YOUR PATIENCE  
AND WE LOOK FORWARD TO SEEING YOU IN  
OUR NEW PREMISES.**

Summer's here and  
there's nowhere to hide!

KALAMUNDA  
SKIN CLINIC

**Skin Cancer is the most common  
cancer in Australia.**

Now that summer is here it's time to check out spots and moles that might be of concern.

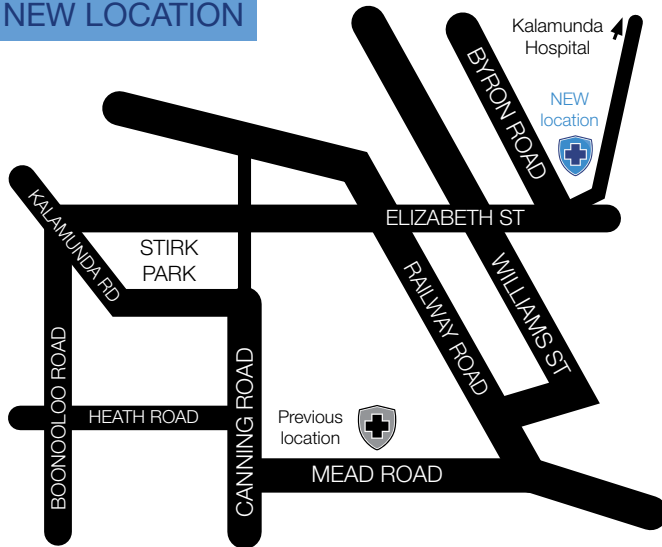

Did you know Mead Medical  
has a dedicated skin clinic?

Call **9293 4455** now as  
appointment slots are filling fast!

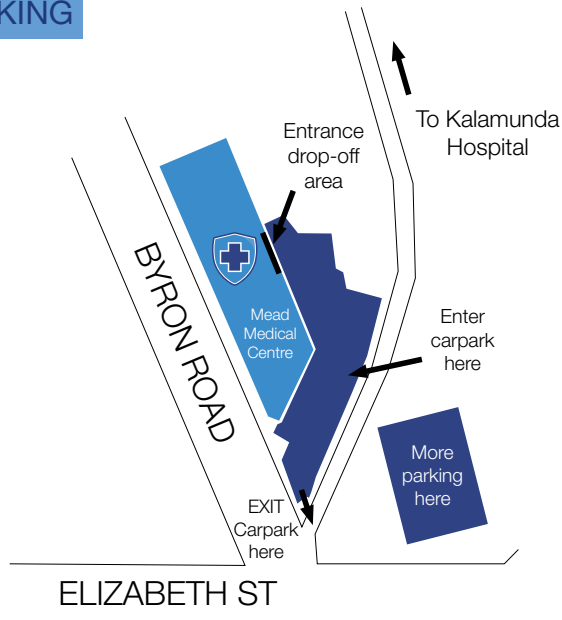

## WHERE ARE THE NEW PREMISES?

37 Elizabeth St, Kalamunda

### NEW LOCATION

### PARKING

## WHO WILL BE WORKING AT THE NEW CLINIC?

All of our current doctors will be making the move to the new premises on the 17th of December.

THERE WILL BE THREE NEW PERMANENT DOCTORS starting work with us in the new year.

**Ewen McLean** and **Suzie Bicker** are a husband and wife team that will be joining us from Scotland. Ewen will be starting in January and Suzie will start with us in the middle of February.

**Erin Horsley** is a GP anaesthetist. She will be joining us from Albany in January

**Dr Jill Wyatt** will be with us for 12 months as part of her GP training.

Our new premises incorporates a purpose built ALLIED HEALTH AND SPECIALIST CENTRE. We are working hard to attract the best possible people to compliment our existing medical service. So far we have attracted the following:

- A cardiology (heart doctors) group, They will also be conducting cardiology investigations locally.
- Ophthalmology (eye doctor)
- Orthopaedics (bone doctor)
- Physiotherapist
- Exercise physiologist
- Dietician
- Audiologist
- Orthotic specialist

## PARKING AND PUBLIC TRANSPORT

There will be plenty of parking on site (as indicated on the map to the left).

For those of you who use public transport, bus route 296 from the Mead Street bus terminus runs along Railway Road through Gooseberry Hill, High Wycombe, Guildford and Belmont to the city. We are lobbying hard for a short diversion from Railway Road via William Street – which is the street closer to the Kalamunda hospital.

## WHAT WILL CHANGE?

You are still going to get wonderful health care. In fact your health care will be improved with state of the art facilities that we think are the best in Perth! There is a large purpose built treatment area, three dedicated procedural rooms for minor procedures, a specialist and allied health centre AND more doctors - which means MORE appointments.

However, there are some changes:

1. You will need to register with the reception on arrival. Once registered, you will receive a billing slip that you will need to hand to your doctor.
2. You will then be directed to wait outside the doctors' rooms.
3. Once seen you will be given the billing slip to take to reception

Seeing the nurse will also change. You will need to first register with reception and then move on through to the separate treatment room waiting area.

## HOW TO MAKE AN APPOINTMENT

This has not changed. For Kalamunda, just ring 92934455.

## I STILL HAVE QUESTIONS

If you have any concerns on the day of appointment, please ask one of our receptionists, they will be more than happy to help you with the process.

Alternatively we can be contacted on 92934455 or via email [admin@meadmedical.com.au](mailto:admin@meadmedical.com.au)
